What To Bring

Lunch + Snack + Water

Each student is required to bring a snack, lunch, and water bottle to class. In the case of enrolling in after care camp, please plan accordingly and bring an extra snack! Please be mindful many students have nut allergies, so we ask that you **refrain from packing items with peanuts** especially. **Utensils will not be supplied.**

If you forget to send lunch, we will provide a meal from Bo's Kitchen, in which case there will be a **$20 charge**.

Items + Clothing

Because we will use clay, paint, and other messy materials, we recommend bringing clothes the student can get dirty. Students 6 years old or younger recommended also bring a spare change of clothes in case of emergencies.

Besides that, all other supplies and materials will be provided!

Teachers will bring students to the waiting area (bench/table area) at 2PM. Photo Policy

Consent For Photo + Photo Media Release

Photos will be taken during class and sent to parents via a shared folder accessible only by teachers and parents of students enrolled in that specific activity. Consent for taking photos and media release can be selected on our HiSawyer website and can be changed any time (please update us via email if changes are made as we are not notified when changes are made on the HiSawyer website).

Cancellation + Sick Policy

Absence Due to Sickness Or Family Emergency Policy

Students who are absent from class due to illness or family emergency can schedule a make up session with us via email (email: art.tent.class@gmail.com).

All Other Absences

All other absences for reasons besides illness must be reported at least 24 hours before the beginning of the missed class to qualify for a make up session. We appreciate your cooperation, as last minute cancellations are inconvenient when planning class.

Cancellation and Refund

Cancellations must be made *at least 14 days* before the cancelled dates to qualify for either a **100% credit** or **50% refund**. There are no exceptions to this.

Health + Wellness Policy

Health and Sanitization

We maintain a clean and healthy studio classroom environment by wiping down and sanitizing tools, trays, tables, and seats regularly. We also encourage good hand washing practices.

In Class Health Request

Students who are sick must stay home to prevent spreading sickness to other students and our teachers. Students sent to class despite being sick will be given the choice of being picked up early or sitting apart from the class group. Absences for sickness can be made up on a different date.

Behavior Policy

Expectations

All students are expected to be cooperative, interested in art, and willing to learn! We pride Art Tent on being a **safe place for all to learn, love, and grow**.

All students deserve second chances, but in the case of students who are *repeatedly* disruptive to the learning experience of others, we will contact parents to discuss further options in order to preserve the peace and safety of our class.

Values

At Art Tent Studio, students will practice being **kind, patient, generous, responsible, and forgiving** through art and interactions with classmates and teachers. After all, our motto is ***Love to Learn, Learn to Love***.
